

# Ministry needs for '07

Pray for us daily

Donate or fund a Motor Home for extended stay in training and multi-week long ministry events. Class A or B. \$20,000

Expedition Eddie Bauer Package

Donate or fund a late model low mileage large SUV \$12,000

Funding for a Spanish Language School. \$2,500 so I can better serve the people.

**Prayer answered**

Increase donations, enough to cover all ministry expense and small amount of living expense.

God has opened new doors for HOPE this year. To see His work being carried out is truly a blessing. I ask that you pray daily that I can keep up and stay in His will. The chance to be involved more with Forgiven Ministry and the One Day with God Camps is a special blessing. It is hard work, as all ministry work is and requires special ability that can only come from God's Supernatural Power.

There is much to do and I have been gone so much this year and I don't see that changing for a long time.

Trips to Mongolia, Guatemala, Honduras and all over North America are just a few things planned for the 2007 as God leads and opens doors. Matt 4:19

There are three ways *that you* can help with our Ministry needs:

- 1) Pray that we stay within His will, can maintain the pace, have God's special anointing on us and that He prepares the way as we take the "light into the darkness."
- 2) You can send in a tax-deductible donation ear marked for one of our needs, or how God leads you to donate.
- 3) You can provide what is needed with an "in-kind" or "tax credit" donation of equipment.

I ask you to prayerfully seek God's will in this as soon as you receive this years schedule and needs.

HOPE International Ministries, Inc. is a 501(c)(3) donation and faith supported ministry.
