Fall 2007

I remember a friend of mine saying to me: "put me in the smoking section cause I'm smoking for Jesus" when she saw my bright shirt one day. I have thought about that often as I visit foreign countries and felt blessed seeing men, women and children "Smoking" or on fire for Jesus. Or to see faces smile with joy that haven't had anything to smile about in many years.

Since June I have been in 4 countries for over 2 months. I thank God for the opportunity to use "gospel magic" and "bull whip" shows to tell men, women and children about Jesus and God's plan for their lives.

I was in Central America for almost 6 weeks, then home one week for a quick trip to Ohio and then off to Mongolia for 2 more weeks.

#### Honduras-July

We did 6 programs all over Honduras in two schools, one prison, one church, two villages and helped Pastor Hector Flores paint their new church La Reconciliacion. I visited the eye clinic for needy people in San Pedro Sula.

From the Pastor in Danli Prison - *God bless you Dear brother joe. the reason of write to you . is for say the listing the word of God. thank you for your visit to us.....we will be praying for*

#### Guatemala-July

While in Guatemala I worked with the Bill Glass Champions for Life as part of the entertainment in four prisons there. [www.BillGlassCFL.org](http://www.BillGlassCFL.org)

*"Joe: I want to thank you for the excellent job you did during the Guatemala WOC (Weekend of Champion) Thanks again. God Bless you. Bruce"(Bruce Beakley organizer for Guatemala event)*

I am grateful to Champions for Life for allowing me to be there. God moved in the hearts of many men and women. I am also grateful to the Church on the Rock in Melbourne, FL. for allowing me to work with them in Guatemala City.

*you. and your family. and for your ministry too. ....God bless you.....pastor Alberto Herrera Umanzor*

*Danli el Paraiso Honduras

Alberto Herrera Umanzor.*

I want to thank Victor Castro and his family in Tegucigalpa for hosting me, and his daughter Geri Lundien for interpreting for me while in Honduras. Thank you to Pastors and Teachers for allowing me in their schools, churches, prisons and villages to perform and share with them.

Pastor Juan Herrera above is in need of a PA system with mics for their prison church and needs \$1800 to purchase one. Pray and see if God wants you to participate and I'll coordinate the purchase and shipping.

Both Honduras and Guatemala are places where there is much need. I plan to make annual visits to these countries for ministry work, with your help to provide the means to travel there next year.

Patti and I attended Spanish Language School in Antigua and hope to return for more language training next year if God makes a way for us. Please seek God about helping with this as the need to communicate in Spanish becomes greater by the day.

#### Mongolia-August

What a blessing to travel to Ulaanbaatar, Mongolia during August as a guest of Tommy Tillman and Mitch and Baljmaa Tillman of Harbor Evangelism. Mitch and his wife Baljmaa live in Ulaanbaatar.

Harbor Evangelism operates churches, an orphanage, hospitals and feeding programs in Ulaanbaatar and the Gobi Desert for the Nomad people. [www.HarborEvangelism.com](http://www.HarborEvangelism.com)

Their prison ministry and other ministries are truly blessed by God with a group of wonderful dedicated people. I had the privilege of working and doing programs with Harbor's people in 5 prisons around different parts of the country. I was able to do programs in male, female and youth prisons. They also allowed me to perform for their children ministries twice and also for their "alcohol abuse" street people ministry. What great work God is doing with Harbor in their different areas of ministry all over Mongolia and their Grace Baptist Churches.

I met with the people of the "Prison Ministry Center" for a question and answer meeting as they sought my advice on successful prison ministry. I also did a program at Amazing Grace Baptist Church in Ulaanbaatar.

After having traveled and worked in Mongolia, I feel like God would have me report there once a year to work with Harbor. It will take about \$3000 to travel there next year. (\$2200 plane ticket!) If you want to support me financially for this, seek God about the need and you can indicate "Mongolia" on your donation and that will be set-aside for next year.

In between Central America and Mongolia I made a trip to Dayton, Ohio to work with Forgiven Ministry, Inc. and their One Day with God. Thank you Jack and Scottie Barnes, founders of Forgiven Ministry, Inc. for allowing me to be part of your great

ministry "reaching, restoring, reconciling those impacted by crime".  
[www.ForgivenMinistry.org](http://www.ForgivenMinistry.org)

I know this is longer than usual, but it was a big summer as God opened many doors for me. I thank you for your continued financial and prayer support.

Much love and gratitude,  
Joe McDonald

There are three ways *that you* can help with our Ministry needs:

- 1) Pray that I stay within His will, can maintain the pace, have God's special anointing on me and that He prepares the way as we take the "light into the darkness."
- 2) You can send in a tax-deductible donation earmarked for one of my needs, or how God leads you to donate monthly.
- 3) You can provide what is needed with an "in-kind" or "tax credit" donation of equipment. *Proverbs 3:27-28*

I ask you to prayerfully seek God's will in this as soon as you receive this year's schedule and needs. Especially the vehicle.
