

HOPE International Ministries and the On Tran Family

We need your help so we can rebuild their home that was lost in Katrina

HOPE International Ministries needs your help. This is the On Tran family that lost everything during Katrina. On and his entire family are living in Bayou la Batre and all work in the fishing industry. The industry has been shut down since Katrina and none of them have worked. There are 10 family members living with On and his Wife, Yen. We need donations to buy material and labor to rebuild. You can make tax deductible donations to: HOPE International Ministries, Inc. P.O. Box 91275 Mobile, AL. 36691 marked On Tran Family.
