Isaiah 6:8

The Evangelism Trail – September 2021

Another busy ministry month for us as Patti participated with “Wee Can Know” ministry for their children’s ministry training at Dayspring Baptist Church here in Mobile. She made a presentation on her book “The Gospel Parade” and included our ministry and information about all we do including our “The Gospel Parade” float. Thanks Phil and Debbie Smith of <http://WeeCanKnow.com> Here is what you need to know about Patti’s book and our float.

Patti started a new type of ministry that she heard about from AnnaMae Jones our friend with “Drive-In Ministries” called “Sewing-4-Souls.” It is a ministry located in West Virginia that makes dresses and other simple clothes to send to needy children all over the world.

The first meeting was with some of our grandchildren, daughter in law and friend from church pictured here with her daughter in law and grandchildren. It was the first time most of the young people (grandchildren) had done any sewing and to start off, each of them made a cute apron you can see in these pictures on the left and wearing it on the right.

If you want to know more about “Sewing-4-Souls” you can contact Patti for more information and how you can get started with this special ministry.

We were invited to attend “Grandparents Day” at Cottage Hill Baptist Church with 4 grandchildren this month. We have 5 grandchildren that attend CHBC and 8 that have attended and two that graduated CH Christian School. It was a fun time of food, games, and fellowship along with a great message from their Pastor.

We were at “The Mission of Hope” this month for the third in the three-part series of “On Becoming a Father.” This month was “The Power of the Father’s Blessing” and we had close to 50 great men participate in the training. We ended the series with a forgiven ceremony. One of the biggest blessings we have been given the past 19 months was to continue our monthly visit there to offer the men that are fathers, grandfathers or expect one day to be a father this training.
