*The Evangelism Trail – January 2022*

Happy New year and welcome to 2022! We had great feedback from the parades we participated in during December. “The Gospel Parade” float was an attention getter, and, on the left, you can see one of the give aways we used during all the Christmas parades. If you know of an Easter parade we can sign up for, please let us know.

We mentioned in one of the newsletters about the “Sewing 4 Souls” ministry that Annamae Jones from Drive-In Ministries told Patti about. Patti contacted the founder and began fun sewing lessons with our grandchildren. Together with our daughter in law and church friends, they made quite a few dresses to be used in countries where children in need can receive them. It is a wonderful ministry and the friends and family that participated found it fun and rewarding. You can see some cute dresses that were made and sent to needy children around the world.

Some exciting news as we begin our 19<sup>th</sup> year of ministry. I have been using my truck (on the third one) for ministry events and have pulled trailers all over North America and Mexico. Late last year our Board of Directors gave me the go ahead to purchase a ministry vehicle to save wear and tear on my truck and make it last a few more years. So, the middle of December I finally found one in our price range that is perfect! It is a 1994 Chevy 2500 in very good shape for a 28-year-old truck. With the help of our son Joe, we have been getting it road ready. You can see me on the left under the hood and son

Joe here removing the 34-gallon gas tank to replace the fuel pump. New tires and major tune-up complete hopefully the end of this month and she should be ready. I still must get an electric brake controller and some type of bed cover before I can pull any of our trailers safely. If you want to help us with the expense, just note “ministry vehicle” on your check and we will appreciate your help getting it where we feel it needs to be.

The “Mission of Hope” is scheduled for January 21. We begin the first of the three-part series with “*The Power of the Father’s Legacy.*” If you have not seen “*Show Me the Father*” by the Kendrick Bros and Tony Evans, I recommend it. They too cover “The Power of the Father’s Words” and “The Power of the Father’s Blessing” similar to our training.

So many of you are on our daily prayer list. Some spent the holidays without a loved one for the first time. Let us know how we can pray for you, and we will be honored. Patti and I love and appreciate all you have done and are doing for us.
