*The Evangelism Trail –September 2022*

**September 2010:** “Whew! Just having some FB fun after a long day in Danli, Honduras...Joe was anointed!!! His magic show/gospel presentations were blessed with 9 cakes and 600+ children! Geri was amazing, again, offering support and translation, plus running around picking up all the necessities...we couldn't do what we do without her. Many children were saved today! Praise God from whom all blessings flow. Patti”

It has been 12 years since Patti wrote that on Face Book, while on one of our annual trips to Honduras. That trip allowed us to be with hundreds of kids and adults that all heard the “Good News” of Jesus! It was during that trip the ministry received the Key to the City for San Manuel Cortes, Honduras! We had orchestrated a water project for the city with help from Rotary Clubs in the US, Honduras, and Water Partners of the World. We were even on the local TV station news.

We have missed our annual trips there working with our ministry partners these last two years. We look forward to returning and picking up where we left off starting next year.

The Forgiven Ministry “One Day with God” event in Monticello, FL at the Jefferson Correction Institute the end of August had 18 fathers, 25 children, 9 caregivers and 60 volunteers. There were many lives forever changed for the fathers, their children, and their caregivers. Patti and I will be in the Atlanta Reentry Unit this month for another “One Day with God” event. If you would like to attend one, look at [ForgivenMinistry.org](http://ForgivenMinistry.org) for their schedule and info on becoming a volunteer.

We were honored to speak at a Luke 4:18 small group class the first Sunday of this month. Thanks, Sid Alums, for the invitation and time to share. My son Joe and I will be at the “Mission of Hope” on the 16<sup>th</sup> and 20<sup>th</sup> of the month for the second and third in the fathers training series. We will cover “The Power of the Father’s Words” and “The Power of the Father’s Blessing.” We have been having over 50 men attend each training session and are getting great feedback.

Pray for revival in our country. Dr Judy Laird from “Awakening Hope” ministry sent word to me to pray Psalms 91 for our country. Scottie Barnes the founder Forgiven Ministry and her husband Jack need prayers for their health. Scottie needs prayers for her arthritis, lungs from a case of Covid, and recent surgery so she can return to the “One Day with God” events. Jack is recovering from Covid and Lyme’s disease. Pray for the men and women at “The Mission of Hope” that each one will have complete recovery. Pray for your church, your pastor, and staff daily. Pray for funding for ministry groups as cost of travel and supplies continues to rise.

Thank you for your prayers and support for us this year. Love in Christ, Joe, and Patti.
