The Evangelism Trail –October 2026 Edition

"Find Fellowship in Your Faith Journey. Cru® is a caring community passionate about connecting people to Jesus Christ. With Cru, you'll have local and global opportunities to learn, connect and go," their web site states.

Cru, formerly Campus Crusade for Christ, invited Patti and me to travel to **Budapest, Hungary** and **Oradea, Romania** to participate in their "English Club" for International Students learning to speak and read English. We traveled with our ministry friends, Danny and Lynn Adams and Lee and Jan Holland from Georgia who have participated before. There were 13 Americans in total that traveled there. We were hosted by Tommy and Dana Dove that live in **Oradea** as Cru missionaries. While there for two weeks, we had a great experience with, and exposure to students from all over the world. We were known as American Professors. Patti did a great job as she facilitated most of the discussions. **Budapest, Hungary and Oradea, Romania** are both very old cities that have been around since the end of the 7th Century. Pictured here is the building the church is located in and where all our meetings were held.

We are preparing for the upcoming Christmas Parades now for the first two weeks of December. Time is short, if you want to donate some of the items and spiritual items we hand out, let us know. We will be buying Ramen Noodles to attach a gospel tract, tennis balls to write "Jesus Loves You" on, and "Jesus Loves You" bracelets, certain candy to go in plastic bags with a bracelet and tract and other items. In two Christmas parades in Mobile we intend to hand out in each parade 5,000 of these while playing our Christian music.

By request we have made it somewhat easier to donate to the ministry with a "Venmo" account. Here is the QR code that gives all the information needed to donate with your phone or computer.

Our son Joe and I missed our father's training at the Mission of Hope in October since we were out of the country and couldn't make it up in October. We'll be back on schedule for November for *"The Power of the Father's Blessing."*

Though we were out of the country when the hurricane came, our kids and grandkids took care of everything for us. We are so thankful and blessed to have them look out for Mom and Dad.

Patti and I are putting together our 2027 schedule and are looking forward to working with our ministry partners and returning to familier places both in and out of the country. Lee Wilson, our **Brazil** host last year has an interest in **Northern Honduras** to work with a feeding program there on the North Coast where you have to travel by boat or plane. We continue to work with Case de Pan feeding program in **Teguscigalpa, Honduras** for their children and family presents and meals for the Christmas celebrations.

"4 But as we have been approved by God to be entrusted with the gospel, even so we speak, not as pleasing men, but God who tests our hearts." 1 Thessalonians 2:4
